SUBJECT.

Selection of a new burning ground at the eastern extremity of the Mysore City and the deviation of the cart-road to Chamundi Hills.

Encl. 5.

W D 88—GPB—50,000—24-7-16

Claim to made by Narasimh
Pandit and Singa Pandit on account
of further compensation for the
lands taken up in the City of Mysore

The lands in question
seem to have been
acquired by an amicable
settlement with the Petns
who were paid
Rs 1000, & again Rs 350.
Why then do the Petns
come up now claiming
Reduction after Reduction
asking for further
Payment? Hence
they must concentrate
matters & the Valuation
made & compensa
-tion fixed, by the
Dy Comr?

Full force report
from the Dy Comr

22/12/96.

As called for papers
have been received and
process as submitted below

Org

Precis of the Vernacular file in re the petition of Narasimha Pandit and Singa Pandit praying for the grant to them of proper compensation for their garden at Mysore

---

1. In June 1893 the lands opposite to the Krishna-gara garden in Mysore and in the occupation and enjoyment of Narasimha Pandit and Singa Pandit of the Palace were selected and acquired for cremation purposes in the City, ~~of Nagarcoil~~, and Rs 1000/- the amount of compensation fixed by the Palace Controller and Mr A. Narasimiengar

Dat?

To the Controller's W.O.
(Serial No 5 in this file)

was paid to the owners

Note:— There is nothing ~~forthcoming~~ in the file to show that this amount was agreed to by the owners, apart from what the Palace Controller says in his D.O. to the Dy Comr Mysore He says " Mr A. S. considers that the Pandit deserves a compensation of Rs 1000 for his land and by the payment of that sum within any hitch the same can be acquired"

2. The owners, not being satisfied with the offer, presented a petition on 4th July 1893 to the Palace Controller representing that the garden in question was granted to them as Inam by Sowcar Hotkappa who had spent Rs 3000 for

Petition to Controller 4/7/93 (Serial No 9)

for levelling the ground
thereof and constructing
3 ponds therein, (2) that
after its transfer to them,
they had to lay out Rs 700
towards ~~the~~ improvement, and
(3) that the amount of
compensation, if calcu-
lated either according
the usual Govt rate of
100 times the annual assess
-ment of the land ac-
or according to the rate
paid for neighbouring
gardens, would come to
Rs 2700. They prayed
that reasonable compen-
sation might be paid
to them and that
might be granted per-
mission to fell and
remove all the trees there
except 7 mango and
20 cocoanut ones, and
the right of grazing

their cattle for ever to the exclusion of those of others.

3 The petition was forwarded for favourable consideration to the Dy Commr, Mysore, who pronounced the demand of the petitioners unreasonable and out of all proportion to what was arranged between them. He, however, allowed the petitioners, as a matter of grace, to graze their cattle during that year (1893-94) and to remove not more than 20 young graft mango plants of not more than 4 or 5 years' standing and two old mango trees.

W.O. order dtd 59 Dy 14.7.93 (Sem. dtd 10 in the file

4. The petitioners, while praying [illegible] in their petition to the Palace [illegible]

[illegible] dtd [illegible] (Sem. dtd [illegible]) [illegible]

Petition of Iravasamba-
Pandith to Controller
by 21 11. 93
(Ser: No 11)

4. Iravasamba Pandith of the Palace Department presented a petition to the Palace Controller on 21st Nov: 1893 in which, while repeating the former prayers, he added (1) that he did not give his consent to part with the garden even though Mr. Bakshi Lingappaji offered him in his (Controller's) presence a sum of Rs 1200/-; (2) that as he was afterwards inform-ed that the garden was a source of inconvenience to H. Highness on his ~~passage~~ way to the race-course, he out of hope at once gave his consent ~~to~~ to the acquisition and hinted that the Govt would dis-burden him from his

family

private debt of Rs 2000.

(3) that on his verbal consent given out of loyalty towards His Highness, not to mention the fear of injury to his position as a subordinate laid him under, the fencing was removed and the garden was converted into a maiden without ~~obtaining~~ bringing attention to the fact that the Patta was in his own name,

(4) that a lump sum of Rs 1000/- was paid to him by way of compensation without due regard to the extent ~~and his~~ of the garden and the assessment fixed thereon and the rate of valuation adopted in the case of neighbouring gardens, but with an assurance that an application from them for

for any excess amount they might expect would be favourably considered and (5) that when once the matter was brought to the notice of H. Highness, he was pleased to order them to recover the proper compensation

(Secr: nos 13 & 14)

5 The petition was forwarded, as before, for favourable consideration to the Dy Comrs who asked the Palace Controller a detailed report on the matter in question with his own opinion as regards further concession, if necessary that might be shown to petitioners

Controller's report no 214/2218 DT 29.1.94 (Secr no 14)

6 A report was accordingly sent to the Dy Comrs in which the Controller stated

(1) that as the petitioners were not allowed to grage their cattle in accordance with the Dy Comm's order dt 5-9 by 14.7.93. they had to sell them and sustain loss in the transaction; and

(2) that as the fencing around the garden had been removed before the petitioners came there to remove mango plants and two old mango trees as authorized by the order. there was not a single plant left there, and that one tree complete and some branches of the other tree had been cut and removed so that the petitioners could not take advantage even of the 2nd concession shown in the except so far as the removal of

of a stem and some branches the cutting and removal of which cost them more than the value of the ~~wood~~ wood removed. He recommended that as the two petitioners and their sons were paying their undivided attention towards the improvement of this garden, the chief source of their livelihood and, as that they claim valuation thereof according to the rate fixed for neighbouring gardens, they might be given a further sum of Rs 400 or 500 / Whereupon the D.C. referred the matter to the Vice-President for his opinion. The Vice-President in

conjunction with Mr
Anibale Annaraja Pandit
valued the garden at
Rs 1350/- taking the extent
of the land, wells trees &
thereon into consideration
and the additional amount
of Rs 350 was accordingly
paid to the petitioners
& Even since the receipt
of the additional amount
they have been submitting
petitions to Govt praying
that they might be given
100 times the annual assess-
ment of the garden (viz Rs 28-11-4)
as was done in the case of
lands belonging to Kaveri
Boreay Gowda and Kanne
Gowdan koppal Rangé Gowda
acquired by the Munici-
pality

(Ser: Vol 19 2 11.1

Submitted with a

the Regulation. In this case this was not done under

20.5.97

Subaltern

I am afraid it cannot be said that the Natives at any time consented to the amounts fixed from time to time. Their tactics seem to have been to accept whatever was paid and then put in a claim for more. The compensation already paid to them is reported to be quite adequate; and the present demand may be rejected as unreasonable.

It is a pity that a written receipt was not obtained from the Natives at the outset.

20/5/97.

Where are the receipts obtained for the two payments of Rs 1000 & 350 made to the Natives They ~~seem to have been~~ were sent to the Deputy Commr by the Salaar Controller but I don't find them in Nasik Fort - call for them

They seem to have been forwarded to the Controller.

In connection with the acquisition of land for the new road course at Deolali & with the payment of the cost thereof, I believe there was some correspondence between the local authorities & the Govt. It may be in the Rev or Gl Dept & was rec'd by the D. C. Kelly - Put with the Salaar papers

20/5/97

~~The~~ As directed by the Secy, the receipts were called for from the Presidency, who states that they were forwarded to the Special Improvement Division as the money was paid out of the sum sanctioned for that Department. Orders are solicited as to whether the Sanitary Engineer may be addressed on the subject. The Secy wants to know whether Petns were not consenting parties to the valuation made and compensation fixed by the Dy Coms. Please see his orders on the 1st page of the memo

Sinja Pandit -

Secy's. order of 22/12/96

Lands in question to have been acquired an amicable settlement Petrs who were fixed Rs 1000 and ac am 3.50 R. Why then do the Petrs sending up Petitions petition asking for either payment? were they consenting parties to the assessment made and compensation fixed by the Govt?

Letters etc 58789 20/11/97

Memo

In view to ascertain whether the Petrs (Viravasantha Pandit and Singa Pandit) owners of the land were not consenting parties to the compensation fixed, a report was called for with papers. As the original receipts obtained for payments made were not among the papers forwarded, the same were called for In the first (for Rs 1000) of the two original receipts now produced through the Chief Engineer, it is stated that Petrs gave up the entire land for Rs 1000 fixed by them, "that no more was due to them", and in the second the balance of the amount after deducting Rs 1000 already paid was acknowledged in full

and they declare that

without ~~the declaration~~ such declaration that no more was due" which was entered in the first receipt.

(2) From these receipts it would appear that Petos were not consenting parties to the valuation made and compensation fixed, for if they agreed to receive the amount, no second payment would have been demanded or paid and that the usual Moochelka would have been taken from them when the first payment was made.

and the Palace Controller's file clo 2140/26/1/94 & para 6 of Precis of memorandum papers

(3) Petos complain that ~~heard~~ on account of this offical suspension (Palace Controller) the first news given up without question, they accepted first payment & demanded more (even after the second payment, they expected more

and continued to submit
Petitions. On the latest one
No 1062 Dy 23-10-97 herewith
submitted, Petrs ask for
the issue of early orders
for payment of the balance
of about Rs 2000.

Submitted Dy 29/11/97

In their first receipt of
the 24th June 1893, the Petrs
acknowledged the payment to them
of Rs 1000 in full and complete
discharge of their claim for purchase
money. On a further representation
they were allowed by the Dy Commr,
as a matter of grace, to graze their
cattle on the land during 1893-94
and to remove therefrom a certain
no of mango plants. ~~[illegible]~~
As they were unable to enjoy these concessions
a further money payment was
recommended by the Naib Tahsildar
and a sum of Rs 350 paid to them
on the 22d June 1894. The acceptance
of the above sums, knowing that they
were in each case intended to be final
payments, would seem to debar
Petrs from now seeking a fresh settlement.
If they thought the same were insufficient
they could have refused to give up
their land.

The price already paid is

State if the suits adequate.
Suits ordered for cadets.

Sir,

I have the honor to submit the resolution of the Municipal Board in regard to selection of a new Burning ground recently at the Eastern extremity of the Town of Mysore and to state that the present burning ground under the Gobli Kattay being too much exposed, far, from the Town and from the Dodda Kere Tank the Board have resolved upon selecting the piece of ground mentioned in the resolution which is shown in the accompanying sketch.

2. The land is ... in the Survey ... unassessed ...

A3 There are both fan ...

Engrave what is probably cost of the proposed donation and letter the new site selected in accordance proposals in the Survey Land, Mysore.

Yatirnath.

CM.

5/12

They will be allowed to remain in the land. The area is said to be 2 a. 3 g. 34 c. The plot can be conveniently divided into 4 parts, each being assigned to a different class of Hindus who burn their dead bodies.

3. The newly selected site is well enclosed on two sides, and when the road to the Chamundi is diverted and made to pass over the present Gobli Kattay, this burning ground will be out of sight to those, who go to the Chamundi hills. The new site will be nearer to the town by half a mile and to the Doddakere Tank by about a quarter of a mile. I beg to solicit that you will obtain the sanction of the Government for the grant of this new site for the purposes indicated.

4. The Municipal boundary on the present Chamundi road through the new site extends up to about half a mile from the tank bund. But as the road chiefly leads to the Chamundi hills, the whole of it is said to have been made by the P.W. Department. It is very necessary that, there should be a good road to Chamundi, as His Highness the Maharaja and the Royal Princes go by that road on every Tuesday and Friday in the week. A number of visitors from far and near also visit the hills on those and other days.

4. A slight deviation from the present road will [illegible] on the bund of the Govalay Katte, as stated above, [illegible] open space of ground, with [illegible] on the western [illegible] new race course, [illegible] for the [illegible] on occasions of the [illegible]

5. As the present Municipal Funds [illegible] for the maintenance of the [illegible] Government will [illegible] the Municipal Commissioners.

No 801
On Revs.

President's Office
Mysore City
Mysore Dated 7th June 1894.

From

A. Rangaswami Iyengar Esqr BA,BL
Deputy Commissioner
and President
Mysore

To,

The Chief Secretary,
to the Dewan of Mysore
Bangalore

Sir,

I have the honor to submit a Estimate amounting to Rupees 1,351 for Constructing a couple of Mantaps, a few pials and improving ponds in the new cremation ground as also for sinking a well and forming road in the new burial ground about Gutchee Matt in Chamundi Hill Road, since abandoned, and to request that the sanction of Government may be kindly obtained for the outlay being met from the funds at the credit of the Special Improvements Division.

It will be observed that the Government was pleased to direct in their order No 4241-3 Dated 8th September 1893, that Compensation as well as all other charges on account of L.F 54-93

Sent to Satyalayam
No 246/94-5 4234
Dno.

amount should be debited to the Sewer Improvements Division but the Executive Engineer of that Division when he was asked to carry out the works is of opinion that the sanction of Government for the works is necessary to enable him to disburse the amount and that the works may be carried out by the Municipality.

Copies of the marginally noted correspondence are submitted for information.

I have the honor to be

Sir

Your most obedient servant

H. Bryson

for President

Mysore

Dated 20-3-94.

No. 583.

(1) In continuation of this Office docket No. 274 dated 4th October last, has the honor to forward the accompanying Estimate amounting to Rupees 1194 for the marginally noted works to be carried out in the new Cremation and burial grounds for the Conve-nience of the people resorting to them and to request that either the works may be carried out in the Special Improvements Division or Money sent to the Municipality to carry out the works under its agency.

Mantapams in the Cremation ground
Cremation Platforms in the cremation ground
Ponds with stone re-tainments.
Well in the burial ground.
Making roads in -do-

Application will be made for the amount of Compensation for the land which shall have to be acquired for burials as soon as the amount is settled

Narasim Pandita and Singa Pandita whose garden and wet lands were acquired for the new Cremation ground have complained that the sum of Rupees 1000/ already paid them is inadequate and the subject is under Enquiry. At any rate the amount which may hereafter be required to be paid for Compn and which may be required to carry out the works Estimated for, will no doubt, fall short of the 2000 Rupees mentioned in this office docket No. 274 dated 4th October last as required to complete the formation of the new Cremation and burial grounds.

From

The Executive Engineer
Special Improvements Divis

(2)

Dated 28-3-

Your No 583 of 20th Instant forwarding an Estimate for Rs 1194 for Construction of two Mantapams and 4 platforms for Cremation purposes resetting the two ponds, and sinking a new well in the Cremation and burial grounds recently opened.

With reference to the above I have the honor to state that the works asked for shall be carried out in Special Improvements Division. But favor of information is requested if the works were ordered by the Dewan, or proposed by the Municipal Board, or by the Municipal officers only.

II. The Mantapam for Brahmins is proposed in the Estimate to be made of 3 ankanams, and for other castes of 2 ankanams. As I believe that all other castes make a larger population than different sects of Brahmins put together, enquires why the two Mantapams should be made of the same dimensions. I draw also your attention to the fact that not less than 10 diffent sects form other castes. It suggests to me that 2 Mantapams of 2 ankanams Each would be more acceptible that one of 3 ankanams or even of larger dimensions. I may as well mention here that there are not less than four Mantapams at washermen Petta Burial ground Madras, for different classes. But this question cannot be solved without a Knowledge of the Extent of population of different classes in the part of the town for the use of which the burial ground in question is intended.

III. The sinking of a well is estimated at Rs 50/. I request to have a description of it as the amount appears to be too small. The well be useful in

much

must have some kind of revetment and parapet. But while there are two ponds, is there a necessity for a wall.

IV. On receipt of information on the above point an Estimate shall be submitted to the Chief Engineer for sanction.

Early reply is requested.

To,

The Executive Engineer
Special Improvements Division

(3) Dated 7-4-94.
№ 442

In reply to your letter № 311/176 dated 28 Ultimo requesting particulars as to the Construction Mantaps to in the new Hindu burial and Cremation grounds at the Chamundi Hill I have the honor to st that the works referred to were not specially sanctioni by the Dewan on the Board at a meeting, and the as the order of Government dated 8th September 18 directs the cost of all the necessary works in con -nection with the formation of the new cremation and burial grounds being met from Municipal funds and as the works are necessarily required, the Estimate was forwarded

2 These cremation and burial grounds are no intended for the whole of the City as there are other places for the convenience of the people living in the Northern part of the City, nor are cremations Exten to all classes of Hindus for only Brahmins and some few other higher orders of Hindus resort to Cremation ground. It is not therefore possible to find out accurate statistics of the population but at a rough

average 3 or 4 may then Expected
be taken for Cremation purposes in the new ground

3 Therefore one Mantap for Brahmins and another Mantap for other Hindus are ample and the larger of the two is intended to give accommodation for female attendants.

4. Provision has been made in the Estimate for improving and revetting the two ponds in the Cremation ground and the well, which has to be sunk in the burial ground further to the South at a great distance from the Cremation ground may probably cost more than 50 Rupees.

5 The Estimates of all the requisite works may be accordingly revised in your department inasmuch as you have decided to carry them out under your supervision

—

From,

The Executive Engineer
Special Improvements Division.

(4)

Dated. 30-5-94
No 641/313.

Has the honor to state that the Chief Engineer recently intimated that it is desirable to reduce the works in this Division, as it is contemplated to amalgamate this and the Water-works Division into one. The work proposed has not the sanction of the Government. For these reasons begs to return Estimates forwarded with his docket No 583 of 20-3-94 for being carried out by the Municipality.

On intimation of the sanction of the Government to the Mantapams &c proposed, funds shall be obtained for him and placed at his disposal.

—

"Copies"

for President

Report

An estimate for making certain improvements in the burning and burial grounds in the Fort, Mahalla is herewith prepared and submitted for sanction. Provision has been made in it for the following works,

1- Two Mantapams 30'×10' for Brahmins, and 20'×10' for other castes, of brick in Chunam walls, and terraced roofing,

2- Putting 4 platforms, 2 for Brahmins, and 2 for other castes each, 50'×15' and 1½' above ground with rough stone & dry walls for burning bodies; there being no such place people are burning bodies at random throughout the ground,

3. Renetting with stone, the 2 ponds, one in the Brahmin, and the other in the other castes' portion, for the convenience of people who have to bathe &c there

4 Clearing off bushes and levelling the ground throughout.

5- Forming a road to the burial ground

6 Sinking and building a well for the use in the burial ground

Incanatory pits for planting trees on ground, to hide the spot when seen from the top of the Chamundi Hill

These works are of a permanent character, and will be of considerable relief to the people and kind sanction is therefore solicited

MYSORE P. W. DEPARTMENT,

CENTRAL OFFICE,

Bangalore, 16th June 1894.

From Lt. Col: D. Mac Neil Campbell R.E
The Secretary to the Government of Mysore,
P. W. Department.

To

The Chief Secretary
to the Dewan.

SIR,

With reference to Government Proceedings Camp
No. 298/300 dated 28th May 1893 directing that the
construction of the Diversion road to Chamundi
Hill should be carried out by the P.W. Depart-
ment in anticipation of sanction to a regular
estimate, I have the honor to forward the accom-
panying project amounting to Rs. 8,656 for
the work, received from the Executive Engineer
Mysore Special Improvements Division, and
to request that you will be so good as to obtain
sanction of Government thereto. The road is said
to have been completed and opened for traffic
in October last. The construction of two culverts

ng

avenue Areas remain to be carried out.

II. The estimate includes a lump sum pro=
=vision of Rupees 3,000 on account of Compen=
=sation of site required for "cremation ground"
This item may be struck out, as the land
can be acquired by the Revenue Department.

III. An outlay of Rupees 5,200 has already been
incurred on the road work up to end of May
last, and this amount, together with the esta=
=blishment charge at 10 per cent on outlay, has
been debited to the Civil Department for
adjustment from the "City Improvement
Funds" - vide Government Proceedings No.
4241-3
G.F. 52-92 dated 8th September 1893.

Mysore Dy Commrs Office
Dated Mysore 29
November 1894.

From,
A Rangasami Iyengar Esquire
Deputy Commissioner

To,
The Chief Secretary to the
Dewan of Mysore

Sir,

Adverting to Proceedings of Government, No. 7854 / DA 54-93, dated 19 instant, regarding the adjustment of Rupees 3000 on account of compensation for lands acquired for the diversion of the new road to the Chamundi Hill, and for the construction of mantaps &c, in the cremation ground, I have the honor to state that in addition to Rupees 1000, sanctioned in Government Order, No. 4241-3 / DA 54-93, of 5 September, 1893, which was disbursed to the land owners on the

26th June, 1893, drawn on Advance Memo, a further sum of Rupees 578 has been paid as per following particulars :-

(a) Rupees 228, was remitted to the Vice President, in November, 1893, in adjustment of the amount which had been paid from the Municipal Fund on account of lands acquired for the Race Course road, which had to be completed before the races of 1893, began. The debit of this charge to the Special Improvement Division has been accepted by the Executive Engineer, Special Improvements Division, in his No. $\frac{1307}{766}$ of 14th November, 1893.

(b) Rupees 350, was paid on 20th June, 1894 as additional compensation for the land acquired for the Cremation ground, on the recommendation

of the Palace Controller, and the Vice President. This amount was also drawn by means of advance Memo to be adjusted by the Executive Engineer, — Special Improvements Division in accordance with his docket no. $\frac{471}{255}$, dated 3rd May last.

2. It will thus be seen that out of Rupees 3000, a sum of Rupees 1578 has already been paid.

3. An estimate for Rupees 1351, for constructing a couple of Manholes, and a few pials in the Cremation ground, has been sanctioned by Government, in Proceedings, No. $\frac{501-3}{\text{Dt } 54-93}$, dated 12th July, 1894. But the works have not yet been started owing to the want of funds. It was understood that all the outlay required in connection with the diversion

of the road to Chamundi Hill would be sanctioned from the Provincial Funds, in the Special Improvements Division, and the sum of Rupees 3000 was accordingly provided in that budget including the expenditure already incurred -

4. I beg therefore that Government may be pleased to instruct the Chief Engineer to adjust all these charges from the funds placed at the disposal of the Special Improvements Division.

Read:—

(1) Proceedings of Government Camp No. 298-300 of 28th May 1893, requesting that the Chief Engineer will be good enough to have the proposed diversion road to Chamundi Hills executed by the P. W. Department as soon as possible, in anticipation of regular estimates being sanctioned. —

(2) Government Proceedings No. 4241-3 L.F. 54-92 of 8th September 1893, ordering that the charges on account of the new road to the Chamundi Hill should be debited to the City Improvement Fund —

(3) Proceedings No. 499-500 L.F. 54-93 of 12th July 1894 sanctioning an estimate of Rupees 5,656 for constructing the Diversion road to the Chamundi Hill, Mysore, from the City Improvement Fund.

4.— Letter C-No. 943 of 30th March 1895, from the Deputy Commissioner Mysore District, to the Gl. Secretary to Government, stating that there is no separate fund called "City Improvement Fund," to adjust the charges on account of above work. —

No. 692-96 / 3225-29 Dated Bangalore 29th June 1895

Order thereon:- In supersession of previous orders, the Government direct that the charges incurred on account of the above Diversion road, which

fall under "Special
to the Mysore City", be debited to the P.W.
Budget. The estimate of Rupees 5,656 for the
work is accordingly sanctioned, but as there
is no provision for it in that budget, the
Examiner of Public Works Accounts will pass the
outlay without appropriation, to be covered by
General savings. ——

Dy Mysore 3rd September

From,

The Deputy Commissioner
of the Mysore Distt.

To,

The General Secretary to the
Government of Mysore.

Sir,

In this Office letter No. 943 of the 10th March 1895, order was solicited for the adjustment of Rs 3000 spent for acquiring lands for a cremation ground near Mysore and for constructing Mantapa &c thereon But in Govt. Pros: No. 592-96 / 3225-29 of the 29th June 1895 issued thereon in the Public Works Department, no order was passed in regard thereto though other matters were disposed of in it. I, therefore, beg to submit this reminder.

Ex. 2.

Deputy Commissioner's Office,
Mysore District
Dated Mysore 16. March 1896.

To,
The Secretary to the Government
of Mysore
Revenue & General Departments

Sir,

The Dewan personally ordered me to acquire survey Nos 50 and 51 of the village of Kukkerhalli in the Mysore taluk for the purpose of allotting them as the cremation ground for the people residing in the ~~c~~ western extension of the city of Mysore, and said that compensation therefor should be paid by the Mysore Municipality.— Accordingly a sum of Rs 202 for No 50 and Rs 401-1-0 for No 51 ~~were~~ settled and the Mysore Municipal Board requested to send the amount.— The Vice President, in his Yadi No 74 of the 8th February 1896, says that the Board has resolved that, as the site selected is close to the bathing ghat &c, another should be

chosen by a Sub Committee. A copy of the resolution is enclosed. The statement showing the details of compensation is also enclosed. Order is solicited to pay the amount.—

I have the honor to be,

Sir,

Your most obedt servant,

[signature]

Dy Commissioner,

Mysore District

The Dy Comr has apparently written this letter in ignorance of the past history of the Subject - He will now report when the allotment of Cremation ground in this locality was first raised, what lands were taken up & proposed to be taken up before he assumed charge of the Mysore Dist, and what the increased area was the Dewan Considered desirable to be taken up - He will submit a plan

explaining the various stages
of this question, and his own
action with
regard to it

21/3/96

Proceedings of the Ordinary meeting of the Municipal Commissioners for the City of Mysore held in the Town Hall at 8 P.M. on Saturday and Sunday the 25th and 26th January 1896

× × ×

IX Read the Mysore District Deputy Commissioner's Kannada Yade No 95-8 dated the 15th November 1895 asking for payment from the Municipal funds compensation of Rs. 603-1-0 for a piece of land and stating that the Dewan personally selected that land for the cremation ground for the use of the inhabitants of Chamarajapura and said that the amount should be paid by the Municipality

Resolved that as the site selected for the cremation ground is too close to the bathing-ghaut it be abandoned and a more suitable one be chosen by a Committee consisting of Messrs Venkatkrishnaiya, Ramanuja, Shaik Ibrahim Sahib Kumbaracharya and Krishna Rao

Marimallappa's School	445	378	262 10 0	Fees.
Saradavilasa Pathasala	58	42	..	

Subjects.

1. The accounts of Receipts and Disbursements for the month of December 1895 were considered.

Resolved.—That they be passed.

2. The nomination of a Sub-Committee to consider the Draft budget for 1896-97 was considered.

Resolved.—That Messrs. M. L. Narasimmaiengar, Mailari Rao, Kantiravachar, Venkatakrishnaiya, Fathekhan and Narayanasami Mudaliar, do form themselves into a Sub-Committee with the Vice-President as the Chairman to consider the Budget for 1896-97.

3. Letter dated the 20th December 1895, from Messrs Best & Co., Madras, stating in reply that they built the Kerosine Oil Depôt by the side of Dufferin road with permission from the Railway authorities was considered.

Resolved.—That the apology of the Company for having erected the building in question without the permission of the Board be accepted.

4. Considered the petition dated the 30th October 1895, from the inhabitants of Varahaswami Agrahar in the Fort Mohalla Division, complaining of the dampness of their houses by the stagnation of water during rainy season in the vegetable garden of Mr. Narase Aras next to their houses, and the Mohalla Commissioner's opinion in favor of the removal of the pond and of opening a road by the side of these houses.

Resolved.—That the garden and the pond be acquired, the pond be filled up, and the garden land sold in bits for building houses.

5. Considered the following proposals by Mr. Kantiravachar, Commissioner, for the Krishnaraj Mohalla Division :—

(1) That the pay of certain sweepers in the Mohalla be raised from Rs. 4 to 5.

There are at present 116 sweepers on Rs. 4, 88 on Rs. 5, and 17 on Rs. 6 Resolved that there be 90 on Rs. 4, 100 on Rs. 5, and 30 on Rs. 6 And resolved that the sanction of Government be obtained to this.

(2) That the building sites lying vacant in the streets and roads be taxed as in the Madras Presidency, as it will induce the owners to construct buildings on them and thus remove the nuisance to which the neighbours are subjected.

The Board admits the force of this proposal and so resolves that the Government be asked to introduce into this Municipality the rule of taxing vacant sites as in the Minor Municipalities and villages; the same being allowable under Section 34 of the Mysore City Municipal Regulation.

6. Application, dated the 6th January 1896, from the Sanitary Inspector, praying that his present pay and horse allowance of Rs. 50 and, 10 may be raised to Rs. 100 and Rs. 20 per mensem was considered.

Resolved.—That the present pay is sufficient as the Bangalore Sanitary Inspector gets only Rs. 35, but as the horse allowance of Rs. 10 is inadequate resolved that the Government be asked to raise it to Rs. 15.

7. The report of the Sub-Committee giving opinion about relieving the Municipality of the liability to pay grants-in-aid to High Schools and utilizing the savings for the Primary Schools was considered.

Resolved.—That the views of the Sub-Committee be adopted and the same communicated to the Inspector General of Education in reply to his letter on the subject.

8. Read the report of the Sub-Committee suggesting the means for repayment of the loan of five or six lakhs of rupees required to make certain sanitary improvements in the town of Mysore.

Resolved.—That the report of the Sub-Committee be adopted and submitted to Government in reply to their order on the subject.

9. Read Mysore District Deputy Commissioner's Kanarese Yadi No. 958, dated the 15th November 1895, asking for payment from the Municipal Funds compensation of Rs. 603-1-0 for a piece of land, and stating that the Dewan personally selected that land for the cremation ground for the use of the inhabitants of Chamrajpura, and that the amount should be paid by the Municipality.

Resolved.—That as the site selected for the cremation ground is too close to the bathing-ghat it be abandoned and a more suitable one be chosen by a Committee consisting of Messrs Venkatakrishnaiya, Ramanna, Shek Ibrahim Sahib, Kantiravachar and Krishna Rao.

10. Read the estimate amounting to Rs. 1,418 for constructing box-drains at the eastern side of D. Subbaiya's road and western side of Dewan's road

Resolved.—That the matter be referred to Commissioners Mr. Shek Ibrahim Sahib and Mr. Krishna Rao for opinion.

11. The report of the Sub-Committee about the modification of Sections 3 and 5 of the Municipal Regulation was read

Resolved.—That the report of the Sub-Committee be adopted and submitted to Government in reply to their reference on the subject.

Note by the President.—The three years term of office of the Commissioners is too short. It ought to be at least five years, as it will take time to get acquainted with the work.

12. Considered the proposals by Mr. Kantiravachar, Municipal Commissioner for the Krishnaraj Mohalla Division, that public fountains be constructed in each of the Kempananjamba, Devamba and Cheluvamba Agrahars for the use of the persons living in those Agraharams.

Resolved.—That the Sanitary Engineer be requested to have these fountains obligingly put up as soon as possible for the convenience of the public.

13. Read the estimate for Rs. 26 for laying pipes in Ramavilas Agrahar to feed Shamarayar's well there.

Resolved.—That the estimate be sanctioned if the owner of the well allows the public to use it and executes an agreement to that effect.

14. Read the estimate for Rs. 155 for constructing parapet walls round the sewage holes near Jalapuri sewage farm in the Lashkar Mohalla Division.

Resolved.—That it be passed.

A Secretary

My dear Sir,

I am very sorry to have to trouble you with a request for information of the kind which I understand you are able to give. We are making enquiries in connection with a claim for compensation on the part of a client who has suffered damage to his property in a recent fire, (2) which took place while the premises were in the occupation of a tenant, & (3) what the rateable value of the property was at the time when the damage occurred. I should be very much obliged if you would let me have the information at your earliest convenience & I enclose a stamped addressed envelope for your reply. I am sorry to trouble you but I am sure you will understand the necessity for my enquiries & I thank you in anticipation for your kind attention.

Yours faithfully,

C.

No. 1227

Deputy Commissioner's Office
Mysore District,

Dated Mysore 30th March 1896.

To,

The Secretary to the Government
of Mysore
Revenue and General Depts

Sir,

With reference to your docket No $\frac{10994}{\text{LJ } 5475}$ of the 26th March 1896, calling for a full report about the acquisition of lands for a cremation ground for the residents of the western extension of the city of Mysore I beg to submit as follows:-

2 About two months after my taking charge of this District, that is on the 29th of July 1896, Mr. Amblé Amaiya Pandet sent me a Communication to the effect that the Dewan had chosen a piece of land for the said cremation ground and personally ordered the previous Deputy Commissioner to acquire it, that that

officer

Officer had thereupon ordered the Shanbhog of the village to come to his office with the accounts, but that he fell ill and died, and that therefore I should take early steps to acquire the land. On the same day, ie on the 29th July 1895, I wrote to the Vice President of the Mysore Municipality yadi No 46 to the effect that if the land indicated by Mr. Annaya Pandit had been chosen by the Dewan and if it was not Government property, steps should be taken to acquire it. He stated in his reply yadi No 53 of the 16th October 1895 that there was no reference in his office about the matter, that the Amildar of Mysore had also written to that effect, that the land pointed out by Mr. Annaiya Pandit as the one chosen by the Dewan for the cremation ground was Survey No 50 in the village of Kukkarhalli within the jurisdiction of the Amildar of Mysore, and that

therefore

therefore I should arrange through him for its acquisition. Thereupon I saw the land in company with Mr Amaiya Pandit and the Amildar of Mysore on the 22d. October 1895 Shortly thereafter, ie. either on the 23d. or 24th. of that month, the Dewan personally instructed me to acquire not only the said No 50 but also the adjoining No 51 for the cremation ground and ask the Mysore Municipal Board to pay the compensation therefor. Thereupon a compensation of Rs 603-1-0 was settled and the Mysore Municipal Board requested to send the amount But the Board resolved that as the site selected for the cremation ground was close to the bathing ghat, another site should be chosen by a Sub Committee. I reported these facts to you in my No 1163 of the 16th March 1896 These are the facts of the case. The details

of the lands to be acquired are in the statement submitted with that letter A plan showing these numbers and their vicinage is herewith submitted as required –

I have the honor to be,

Sir,

Your most obedt. Servant

Deputy Commissioner

Mysore District

ABSTRACT

State that their garden close to the city, enclosing an annual income of 400 Rs was made over to Govt for the new cemetery for the new Burial ground as the Palace Authorities made them understand that it was the late Highness' desire - He promised them the fair value of the land according to the Rules and to take them to the 15 p.c. extra

Rs 2929 as per the lease
have submitted to Govt
with their former petitions
or 2800 which is 100 times
the annual assessment of
the land and also the rate
of compensation allowed
to Randle Jowda & others
Excluding the amount drawn
in 2 instalments viz Rs 1350-
the balance still due to them
is Rs 2018 or 1947 according
as the first or the second calculation
is accepted (including the extra 15 p.c.)

As the case is pending
for a long time, I pray
that early orders may be issued
for the above sum.

To

C. Srinivasa Iyengar Esq

Secretary to the Govt of Mysore

Respected Sirs,

We respectfully beg to be excused for inviting your honor's attention to our previous petitions and to state that our valuable garden close to the city of Mysore acquired by Government for the new burial ground, which was yielding an annual income of Rs 240, was given up by us without any objection, as our official superior, the then ~~Comptroller~~ Controller, made us understand that it had to be acquired to meet the wishes of His late Highness who directed us to accept nothing less than the fair value of the land plus 15 per cent thereof payable under the Land Acquisition Regulations in cases of urgency The value of the garden with trees, ponds &c therein is Rs 2929 per particulars given in the accompanying copy of the list submitted with our former petitions or Rs 2800 if calculated at 100 times the annual assessment of the land, the rate of compensation allowed to Ranga Gowda & others

Yours &c

14/97.

6/12/97

including 15 per cent extra allowable by the Regulation and excluding Rs 1350 disbursed in 2 instalments as compensation, the balance still due as compensation is Rs 2018 or Rs 1947

As the matter has been long pending we earnestly beseech that your honor will be so merciful as to ascertain the truth of the above statements and to direct payment of the balance preferred to at an early date and thereby enable us and our family to earn our livelihood in these days of high prices

For which act of kindness and charity we shall in duty bound ever pray for your honor's long life and prosperity

We beg to remain
Respected Sirs,
Your most obedient humble

P.C.No 1221 The 1897

ENDORSEMENT GRANTED TO Narasamma Pandit-3-97
and Lingaja Pandit-
2 Gs.

in reply to Their Petition, Registered No. 1062 dated 23d Oct 1897
ending with
praying for enhanced compensation on account of their garden at Hyde,
taken up for public purposes.

On a perusal of the papers connected with the case it is found that the Petitioners have, in the first receipt executed by them on the 24th June 1893, acknowledged the payment to them of Rs 1000 in full and complete discharge of their claim for ~~Petitioner is informed that~~ purchase money; that on a further representation they were allowed by the Govt, as a matter of grace, to graze their cattle on the land during 1893-94 and to remove therefrom a certain number of mango plants; and that, as they were unable to enjoy these concessions, a further money payment was recommended by the Palace Committee and a sum of Rs 350 accordingly paid to them on the 22d June 1894. The acceptance of the above sums knowing that they were in each case intended to be final payments, debars the Petitioners from asking a fresh settlement, since if they thought the same ~~are~~ insufficient there was nothing to prevent their refusing to give up their land ~~in accordance with the Land Regn Regl~~ ~~through Collr's Jurisdiction~~ ~~in accordance~~ The price already paid is at the same time reported to be quite adequate. Under these circumstances the present claim of the Petitioners for further payment is rejected as ~~groundless~~.
